WHO WE ARE

Connection Church is a Christ-centered church in Victoria, BC, Canada. We are a diverse and multicultural church with many university students, young couples, Spanish-speaking families and everyone else in between. Our pastors' heart is to create a community that isn't just a bunch of strangers, but a church family does life together with a desire to grow and serve in the Kingdom of God.

WHAT WE'RE LOOKING FOR

We're looking for someone who is passionate about web and graphic design who wants to take our website to the next level as well as help us to develop our brand and social media strategy. We need someone with well-rounded visual skills who loves to get the details right and who is a self-starter who will take projects and run with them until completion.

WHAT YOU'LL DO

- Develop a concept, design and develop the church website on the Wix platform.
- In collaboration with the team, develop an overarching brand identity for the church and put together the brand guidelines.
- Design and produce various types of digital and print materials.
- Develop concepts and create mock-ups for projects.
- Collaborate with team members to ensure projects meet objectives and deadlines.
- Incorporate feedback and make revisions to designs as necessary.
- Manage and organize design files and assets.
- Other duties as required

TO BE SUCCESSFUL IN THIS ROLE YOU

- 1+ years of experience in graphic design including extensive experience with Adobe Creative Suite and other design software.
- have a portfolio of previous design work that shows your skills.
- Knowledge of design trends and techniques
- Ability to manage multiple projects and deadlines.
- Ability to adapt, learn new skills and be flexible.
- Excellent communication skills and ability to collaborate with team members.
