

Our vision for Connection Church is to be more than just a Sunday gathering—it is to be a place marked by intentional prayer, worship, and time in God’s Word. Worship is central to our faith, and our heart is to create a space open for prayer and worship every weekday—a sanctuary where you can encounter Jesus at any time. We are excited to announce the creation of **Prayer Room Encounters**, a space focused on the presence of Jesus and serving as a dwelling place for His glory. Please find below some terminology that may help you better understand the calendar:

Hosts – Hosts first and foremost host the presence of God in the prayer room, helping to create a dwelling place for His presence. Our heart is to minister to the Lord and touch His heart, keeping the focus on prayer and worship.

Sets – Throughout the day we have different times of prayer called “sets.” Each set has a specific purpose. Check below for set descriptions, and check the calendar frequently to see what is happening in the prayer room everyday.

Set Type	Primary focus
Devotional Set	Invite you to come and love Jesus, worship, read your Bible or simply rest in His presence.
Scripture Meditation Set	A time of prayer and reflection built around a specific passage of scripture - designed to help us encounter God through His Word by singing it, speaking it, praying it and allowing it to shape us. Letting the truth of scripture fuel prayer for people. Church and nations.
Adoration Set (Live)	We will exalt, honor and adore God for who He is. An extended time of worship to focus on God’s attributes and goodness.
Intercession Set	A time of prayer where we stand on behalf of others, bringing their needs, situations, the church, or nations before God and asking for His mercy, will and power to be released. Revival?
Worship Set (Live)	A dedicated time to prayer and worship, where we slow down, listen, and minister to the Lord through gratitude, song, and surrender.
Soaking Set	A time dedicated to resting in God’s presence where the primary emphasis is to listen, rest and receive from God.
Spanish Set	Dedicated times of intentional prayer and reflection in the prayer room. It is designed to support moments of sitting in God’s presence and personal communion with Him.

* Live sets include musicians
