

CONNECTION CHURCH

www.ourconnection.ca

WHO WE ARE

Connection Church is a Christ-centered church in Victoria, BC, Canada. We are a diverse and multicultural church with many university students, young couples, Spanish-speaking families and everyone else in between. Our pastors' heart is to create a community that isn't just a bunch of strangers, but a church family does life together with a desire to grow and serve in the Kingdom of God.

WHAT WE'RE LOOKING FOR

We're looking for someone who is passionate about audio (and video) production who wants to take our Sunday service to the next level and then to take our recordings and produce content for our YouTube and Social Media channels. We need someone with well-rounded audio-visual skills who loves to get the details right and who is a self-starter who will take projects and run with them until completion.

WHAT YOU'LL DO

- Set-up, operation, recording, and take down of sound equipment for our Sunday morning Service and any other service that we have.
- Working with and training volunteers on sound equipment and post-production editing of the service audio.
- create and edit audio/video resources as needed for social media and training materials, as well as other projects.
- Compiling recordings of performances and trainings, processing them and back up the files in an appropriate manner. Troubleshoot technical issues and resolve problems quickly as they arise.
- Liaise with our team to develop and implement solutions for audio/video/lighting configurations to improve our services and broadcasted livestream.
- Ensure proper storage, transportation, and maintenance of equipment.
- Other duties as required

TO BE SUCCESSFUL IN THIS ROLE YOU

- Have 1+ years of audio-visual experience with live events.
- High school graduate and an AV technical education is preferred.
- Possess strong problem-solving skills with the ability to be proactive and identify potential issues, working with the team to solve them.
- Are physically fit, safety-minded, and able to lift up to 50 lbs.
- Have a humble attitude and willingness to collaborate with the team.
- Have experience with filming, editing, and using Adobe Creative Suite for post-production work.
- Ability to adapt, learn new skills and be flexible.
- Have a valid class 5 BC drivers license or equivalent (preferred)

THE DETAILS

Position Open: May 2, 2023 until position is filled.

Job Title: Audio Visual Technician/Sound Technician Co-op Internship

Position Type: Temporary Full Time

Co-op Length: 8 weeks (must be completed by September 1st)

Salary: \$18/hour

Schedule: Flexible work schedule but will require some weekends and evenings.

Work Location: On site in Victoria, BC, Canada

The successful applicant will need to complete a criminal record check. If a prior criminal record is revealed, it may result in a reconsideration of this person's application.

This job is made possible by a grant by Canada Summer Jobs.

Applications will be received until position is filled. Please send your resume, cover letter, and any relevant supporting documents or videos, to office@ourconnection.ca.
